Included in the claim is a list of unliquidated entries. A commercial importer can make entry of merchandise, submit certain minimal documentation, and receive release of that merchandise immediately upon the completion of any required inspection. See 19 C.F.R. Parts 141 and 142. Within ten working days after entry, the importer must file entry documents with CBP, giving the details of the importation, and provide payment of the duties, fees, and other charges the importer estimates are due. CBP has a limited amount of time to review the entry and assess any additional amounts due, refund excess amounts deposited, or, in most cases liquidate the entry with no change. See 19 U.S.C. § 1504. This review process is referred to as liquidation and is described in CBP regulations at 19 C.F.R. Part 159.
